LET'S NOT DIE
IN A PLACE LIKE
THIS EVERYONE.

I UNDER-
STAND.

A close-up photograph of three individuals, likely of South Asian descent, captured in a moment of intense vocal expression. They are shown from the chest up, facing slightly to the left. Their mouths are wide open in a shout or song, revealing their teeth and tongues. The person on the right has their eyes closed, while the others have their eyes partially open. They are wearing light-colored, possibly white, clothing. The background is a solid, vibrant red, which creates a high-contrast, energetic atmosphere. The lighting is bright, highlighting the contours of their faces and the texture of their skin.
